

Free Lectures

Free #PedsID Sessions for Paediatricians and Researchers

Like last year we are delighted to offer you **free access to PID sessions during the summer season!**

Watch these intriguing sessions and come back for more.

Free PID Sessions

Throughout the summer, we will be releasing a free session or lecture each week, so keep an eye on social media and your email account. Stay tuned so you don't miss out on our free lectures.

It is never too late to start learning and change the lives of children!

Some things are too important not to share, which is why you can enjoy the next free session from **ESPID 2023** now.

We asked senior ESPID members which publications, from throughout the ages, were instrumental to the field of paediatric infectious diseases and what we can learn from them today.
