

Meet The Expert Sessions

Interactive & Case-Based Discussions

ESPID 2024's Meet the Expert Sessions will consist of a brief introduction/update of the topic by an expert, followed by two interactive case-based presentations by selected presenters. The experts may frequently use case reports with questions regarding diagnosis and management, usually chosen from ESPID 2024 abstract submission.

Do I need to pre-register for Meet the Expert sessions?

There is no need to register for a Meet the Expert (MTE) Session. If the room is full you may need to choose to attend a different session.
